HYBRID SOLAR TECHNOLOGY

MV | Design

technical data	MGTP 42000 THS 3P
Power	42 kW-400 V
Solar panel	2x360W each
Batteries	6x 25,6 Vdc 280ah Lithium
Battery pack	51,2 Vdc 840ah Lithium
Running time	3000W -10 hrs 14000W- 2 hrs
Recharging time	4,5 h
Engine	FPT N45 SM1F
Dimensions mm	2935x2235x2158
Weight	3200 kg

Solar panel control buttons up/down tilting system

MG Master LV 24-48/400A safety and control unit for the battery system

Easy service maintenance with inside tunnel for one operator
